

Suffering from a minor illness and want some advice as quickly as possible?

DID YOU KNOW...

that your local pharmacist can give you confidential advice and treatment if needed for a number of common illnesses without the need for an appointment with your GP?

Here are just some of the conditions that your pharmacist can help you with:

**coughs, colds and sore throats
minor skin conditions and acne
athletes foot
styes and minor eye infections
head lice
pain, including backache
cold sores
diarrhoea/constipation
colic
thrush**

Pharmacists provide many other services including:

**NHS emergency hormonal contraception
NHS smoking cessation support
Advice on travel injection requirements &
supply of malaria prevention**
